

MAKING PEER-COACHING WORK FOR YOU

THE DO's

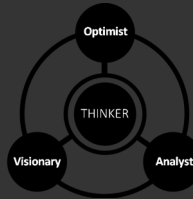

#Stay_curious: Never stop exploring

#Start_exploring: Replace your assumptions with clarifications

#Show_empathy: Walk in the other person's shoes

#Ask: Ask instead of telling them your solution

#Keep_Right: Stay on the solution side

The DON'Ts

#Never_advise: Create an environment for the other person to think

#Stop_guessing: Pause and reflect before you react & respond

#Stop_problemsolving: Do not ask for all the details
