

Mission package 5 – Learning & Development (Empowerer Archetype)

- Your goal is to make sure that your team applies concepts and frameworks we covered in the previous modules
- Provide support/coaching if you notice that a teammate is struggling with one or the other concept
- Ensure that the team deliberately finds time for short reflections in-between
- Empowering each team member to contribute with own suggestions to team outcomes

Useful material:

- All relevant material *on IM I Learning Platform, Modules 2-6* ((on feedback receiving and providing (incl. templates), conflict management, decision-making, etc.)
